

Winner, Winner, Chicken Dinner!

Nothing is better to see than a group of people working together for the good of all. That is what we saw at our 2024 Fall Festival this year. Thank you to all who made the commitment to sign up and help, many of you throughout the weekend! It helped tremendously with planning such a big event. There was no doubt that your service and “Be the One” attitude were on display for others to imitate as one looked around. We hope you had a chance to meet new people and connect with others as that is one of the goals of the Fall Festival.

This year we were blessed with a generous donation from Bower’s Farm to fill our Country Store with produce which ended up being a “must see” event! Thank you to the Tess Family for setting up the area, Laura Bower and Tricia Mitten for making that little spot a gem this year, and the many people who chipped in to clean it up at the end of the day.

No one can walk past the White Elephant without taking a quick look for something that you didn’t even know you needed. Thank you to Diane Hamilton, her dedication to St. Peter’s, her crew including the FFA, and Goodwill for making this happen.

The gym was a “must do” on the Fall Festival list this year. Thank you to Rebecca Anderson and Megan Justman and the Home and School for making games happen again this year! The gym was hopping with excitement and excited winners! The KC bar, raffle baskets, and silent auction, along with Jim Weingert and his walking sticks made the gym even more enticing.

When walking out of the gym, you were blessed to see handmade quilts made with the gifted hands of our quilt group. Thank you to Gayle Bong and her crew for sharing their stash as well as donating two sought after quilts for our raffle.

Thank you to Dave and Tammy Murphy for delivering 17 meals to the Heritage. Your example of helping the elderly is what our faith is all about.

Ever wonder how the dinner comes about? Thank Deb Borkhuis and Andy Johnson who made sure our order was correct before the party began! Thank Pat Whiting, John Schuller, and their KC friends for hauling tables, chicken, and produce not to mention cleaning chicken and being the guys if something needed to be done.

Thank Paul Nyffeler and the KC bunch for making homemade mashed potatoes a reality – it’s a two-day affair! Thank Mark and Tina Smith who spent their weekend making coleslaw and dressing just appear in the refrigerator truck!

Thank Mary Rozmarynowski for her planning in advertising along with Dan and Sue Parr for making sure the signage was up in time as well as down. Thank Joan Duncan and her dedicated crew along with Cindy Bakko and Donna Nage for making sure the dining room was stocked and guests had plenty to eat. 286 take out meals went through Jess Hartranft and her crew's supervision. We are blessed to have her on our team! Josi Schurek made sure our dining room guests had hot food and plenty to eat as well as 20 dinners that Nick Healey delivered to Twin Oaks Shelter.

Thanks to Rochelle Verick and her crew and the generosity of Tracey Gross, Donna Friemoth, and Lynette Mitten for supplies in making 59 pies for the event.

Nothing runs correctly without upper management! Thank you to our money counters: Ann Paulsen, Lynette Mitten, Mary Kugach, and Chrystal Arnott from St. James. Thank you for volunteering your entire day to counting.

Thank you to our Parish Staff who took the many calls, questions, and concerns regarding the Festival: Mary Ann Zaremba, Ann Paulsen, Beverly Helbling, and Darel Keiser for knowing all the answers to the questions of how things work.

Thank you to Cheryl Friemoth and Julie Cotter for making sure technology worked and all our information was made aware to the people in the social media world.

We end this year with two celebrations: Fran and Neva decided to celebrate their 68th wedding anniversary with us! How fitting as we all watched you over the years volunteer and set a fine example of married life in our parish. MacKenzie Lindow decided to announce her

engagement to Parker. It wasn't that long ago we saw her running up the middle aisle in church and her mom chasing her! Thank you for letting us share in that moment.
